

# HANGAR STAGE

Now, the ancient legend begins...

Welcome to Hangar Stage.

"Mystic Rhythms" is a live performance featuring amazing, mystical spirits and creatures.

Rhythmic sounds and music tell the story of life in the jungle.

Deep in the rain forest,  
three spirits create life  
that is rich and powerful...

**Spirit of Water**  
nurtures and protects all life.

The butterfly shares the legend  
and dances to celebrate life.

**Spirit of Earth**  
creates and supports life.

**Spirit of Fire**  
causes anger and chaos.

The new dawn comes.  
And then...

Tiny life flutters its wings  
and takes off toward freedom.  
And the rhythms begin anew.
