

"This attraction was created by Disney at the request of UNICEF for the New York World's Fair held from May 1 through 1965. One of the most popular attractions at the Fair, it was relocated to Disneyland in California after the Fair closed. Ever since the Grand Opening of Tokyo Disneyland in 1983, millions of Guests have enjoyed 'the happiest smile that ever smiled.'"

Tokyo Disneyland

"The children of the world have joined together, going beyond nationality, languages, and customs. It's a small world after all, it's a small world after all—It's a small world after all."
